

Diary Framed Silk Panel - Navy Blue

sku: AGD-675-18

The Diary Framed Silk Panel embodies the frenetic magic of instant inspiration, like a poetic diary entry splashed in navy blue watercolor. At once graceful and passionate, the calligraphy-like brush strokes of each piece, individually hand-painted by the artist, recall the abstract expressionism made famous by greats like Cy Twombly. Each painting comes complete with our champagne silver frame, and can be placed horizontally or vertically wherever you need an extra stroke of creative energy. It's up to you to interpret.

Avoid using glass cleaners on anything but glass and mirror. Ammonia can cause discoloration and dull the finish. Clean with a soft cloth or duster. Avoid rubbing hard as this may produce tiny scratches.
