

Kaja 3-Drawer Side Table With Antique Brass Pulls - Natural

sku: BER-130-99

With the Kaja 3-Drawer Side Table, our designers have taken a classic silhouette and turned it into an unconventional statement piece. The refreshing juxtaposition of mixed materials defies tradition, while the natural element of grained wood keeps the piece utterly timeless. Three stacked drawers finished with a glint of antique brass hardware provide plenty of storage, as their veneered white facade boldly contrasts with the natural cerused oak body. We imagine our Kaja standing out in an artist's studio—or a bedroom, living room or study bursting with personal creativity.
