

Lennie Counter Stool - Driftwood

sku: BOS-575-92

Whether you're outfitting a cozy country cottage, beachside villa, or eclectic urban loft, add a touch of woodland whimsy to your space with our Lennie collection. An updated expression of classic French faux bois design, in which natural tree-like features of bark and branches are brought to hyperrealistic realization, our Lennie Counter Stool features a hand-carved silhouette of solid Cape Lilac Mahogany, intricately crafted to resemble a magical swirl of twigs. The gorgeously rustic elements are refined by a light driftwood finish, along with a plush linen drop-in cushion for a luxe, comfortable seat.
