

Lindy Mirror - Mirror

sku: CAR-670-79

Antique finishes and hardware studs make the Lindy Mirror feel like a find from a grand pied-à-terre in Paris, a Venetian apartment, or a socialite's drawing room circa the 1940s. The stand-out piece glimmers with an elegantly cut and beveled glass border, finished in an antique style, with four corner keystones and shining brass cabochons dotted throughout. With a durable wood backing and D-rings for both horizontal and vertical installation, the Lindy is crown jewel that's meant to last in your home for years to come. We trust you'll give it the spotlight it deserves.
