sku: CLN-690-79

*The polished minimalism of the Lineo Mirror makes it an effortless accent fit for practically any style of decor, from white-washed beachy themes to rooms decked out in rich, warmer tones. Proportionally, its larger reflective panel is contrasted by the delicate glint of its slender brass frame, forming a perfectly square silhouette that gives any room the illusion of extra space and light. As a trio, the small, medium, and large Lineo Mirrors can be styled together to create a complementary design statement or mixed amid art and other frames on a gallery wall. Even used solo, however, the Lineo of any size makes a chic impression.*
