

Laurel Armchair - White

sku: EVE-555-09

The Laurel Collection brings Eastern-inspired elegance to life. Our simplified interpretation of Thomas Chippendale's famous chinoiserie design gives our chairs a more relaxed, contemporary feel, with a dash of country charm. Created from antique mahogany with a lacquered white finish, the frame of the Laurel Armchair boasts an intricate fretwork back nodding to its Asian inspiration, with a softly rounded top. Gently curved details appear throughout, from the slight dip in the seat and arm rests to the fluted, tapering legs. A linen drop in cushion completes the piece, making it a comfortable yet stylish pick for kitchen or dining room set.
