

## Madeline Desk - Burl

sku: HLN-350-24

*Gilded Age elegance finds a home in the Madeline Desk. Its svelte silhouette is realized in a light burl wood. A smooth sheen of lacquer serves to spotlight the natural swirls and patterns of the material, giving the piece a marbled effect. The shine of brushed brass hardware could be found in its accents, sabots, and pulls. Two slender drawers on soft-closing glides float below the top for easy access to documents or office supplies. With the Madeline, working from home has never looked (or felt) so chic.*
