

Maria Console/Desk - White

sku: JOR-350-09

With its sleek lacquered finish and golden accents, the Maria instantly upgrades a space in the glamorous style of Hollywood Regency decor. There's a romantic touch of the old world in its Chow feet and decorative wood-cut detailing, which gives its pair of drawers elegant, slightly curved edges. The versatile piece can be employed as a compact desk or console table, or even dressed up as a bedroom vanity topped with a mounted mirror. Pull up a seat with panache or use it as a fancy display for vases, lamps, or objets d'art.
