

Marilyn 1-Drawer Side Table - White

sku: KRN-110-09

Clean white finishes and organic materials combine in our Marilyn Collection, an effortless pick for a sunny beach home or modern country cottage. The Marilyn 1-Drawer Side Table is an airy staple, featuring a classic silhouette with an open-front facade, revealing a fixed center shelf and two spaces to use for storage and display. A single drawer floats elegantly above, ornamented with a polished brass pull. Our craftsmen have integrated luxe details into the white lacquered design, including a ribbon of polished brass framing, and, most notably, gorgeous side panels made of handwoven bleached cane. The Marilyn is fresh and timeless, imbued with a sense of beachy tranquility.
