

Maisy Side Chair - White

sku: LOO-550-09

Good taste never goes out of style. Case in point: the Maisy Side Chair, an elegant seat based on the iconic design of Frances Adler Elkins, one of the most prominent female furniture designers of the 20th century. Elkins introduced the Maisy Chair in the 1930s, and only created eight in total. But the beloved silhouette, replete with graceful wood-cut details and looping fretwork, has remained a high-society staple, perfect for palatial Palm Beach dining rooms, breezy seaside cottages, and decor schemes ranging from Chinoiserie to classic Americana. Here our artisans have recreated the chair in white lacquered mahogany with a comfortable drop-in cushion. A true conversation piece around a dining table.

Avoid using glass cleaners on anything but glass and mirror. Ammonia can cause discoloration and dull the finish. Clean with a soft cloth or duster. Avoid rubbing hard as this may produce tiny scratches.
