

## Memphis 1-Drawer Side Table - White

sku: MRC-110-09

*In our Memphis 1-Drawer Side Table, striking industrial construction is recast with all the glamour of Art-Deco design. Gilded beams of antique gold create an open, sculptural grid that feels creative and contemporary. The Memphis's swanky metallic shine is complemented by white lacquered shelving and an inset cabinet drawer that appears to be floating in its center. With expert attention to detail, our craftsmen have adorned the drawer with a polished brass pull and light oak veneer interiors. With three separate surfaces and a space for hideaway storage, the bold and modern piece has incredible potential for both decorative and functional use. Float it beside a sofa or lounge chair as the ultimate drinks table or elevate your bedroom using the Memphis as a nightstand.*
