

Maysey Mirror - Antique Mirror

sku: OCT-670-70

The Maysey Mirror is a gorgeous reflection of vintage beauty. Full of country house elegance with a geometric edge, it features an eight-sided frame crafted from individually hand-cut and beveled mirrored panels. They surround the large expanse of looking glass at the center, gently angled to add dimension when installed on your wall. Our artisans have applied a subtle antiquing effect along the border, adding graphic contrast and providing the piece with the charm of a well-loved treasure. It's versatile enough to fit country cottages to cosmopolitan apartments. Hang above a sofa to add light to a sitting room, or an entryway console for a last glance before a night out.
