

Nicholas Large 6-Drawer - Natural

sku: PAU-225-98

The old world sophistication and polished presence of the Nicholas Large 6-Drawer make it truly hard to resist. Its silhouette embraces the expressive elegance of vintage Chinoiserie design, while its construction boasts the unmatched quality of our contemporary craftsmanship. A marriage of organic materials, the Nicholas brings a framework of quarter sawn oak veneer together with carefully woven and lacquered jute panels, which adorn the top, sides, and collection of drawers. The unique placement of its six drawers, two smaller pairs at the top and bottom, and larger single drawers in the middle, provides a lively-looking facade along with plenty of storage space. Gorgeous details bring the piece together, and act as a true testament to the skills of our artisans, from the gracefully flared front legs to the glittering accents of solid brass appearing on its drawers and sabots. For cultured tastes and cosmopolitan spaces, this piece is a must.
