

Quinne Wall Mirror - Amethyst

sku: ROM-670-72

A glamorous accent glittering with multifaceted glass, the Quinne Wall Mirror adorns your space like a glamorous piece of jewelry. Its frame consists of gemlike geometry, featuring angled planes of mirrored glass. Each one is expertly cut, beveled, and finished in vibrant jewel tones of amethyst with polished edges that capture light and reflect kaleidoscopic shimmer. Its bold, three-dimensional border acts as a dramatic focal point in any room. Install it vertically or horizontally above a desk, console, sofa, or bedroom dresser. You can even pair two to create a striking scene at a large bathroom vanity. As with most of our pieces, you're sure to hear, "Where did you get that?!"
