

Regan Mirror - Antique Gold

sku: SAH-690-808

With the Regan Mirror, our artisans have applied the old-world art of verre eglomise to create a gilded, sandy surface that seems to embody a mysterious treasure from the desert its named for. A series of individually worked mirrored tiles are enriched with silver and gold leaf, then abraded to achieve the look of a naturally-aged antique. They come together within a slim, bronze-finished frame to form a bold and dramatic piece whose large silhouette makes it an instant eye-catcher, whether it's installed on a wall or left leaning in a more bohemian style. Like most of our favorite creations, the Regan is a decorative accent with all the allure of a fine work of art.
