

## Naya Mirror - White

sku: TAZ-670-819

*Gaze into the Naya Mirror and escape to a Greek island villa or breezy seaside cottage. You can thank our master craftsmen for that magical effect. Inspired by the cast plaster designs of the Art Deco movement, our artisans have developed an innovative technique to achieve a similar look with sand-cast powder-coated aluminum. The result is a durable frame with a unique carved design which resembles organic stone or a seashell necklace. The Naya's circular shape adds to its nautical charm, while the pristine white finish of its border makes it the perfect pick for white-washed, minimalist spaces. It's a lovely accent for beachy living rooms, and can even be installed as a powder room mirror, or doubled up above a large vanity or double sink.*
