

Selma Mirror - Amethyst

sku: THA-670-852

The Selma Mirror combines the magic of crystal with the glimmer of brass to create a fabulous accent that works like a piece of fine jewelry for your wall. Because your room should always be as well-dressed as you are. Our designers have created a stunning decorative accessory that feels ornate without being overpowering. The sleek mirror is bordered by a thin frame of stainless steel which has been given a polished brass finish. The Selma's bold embellishments are found in the individually crafted baguettes of vivid Amethyst crystal, set at each corner and at alternating intervals around its edges. We love it for its organic glamour and utterly unique impression. Hang one above a console, dresser, or fireplace, or combine two or more to create a crystalline installation on an accent wall.
