

## Venice Mirror

sku: TNA-670-79

*With the Venice Mirror, our artisans prove that thoughtful details and high-quality construction can help a stylishly minimalist piece make maximum impact. The gem-like silhouette of this gleaming accent resembles an emerald-cut diamond, with an elongated eight-sided profile, beveled borders, and high-clarity mirrored shine. Light dances off the Venice's mirrored frame, which features individually-cut and beveled baguettes of mirrored glass, installed at an angle to add striking visual appeal and extra dimension. Its elegant simplicity complements just about any decor scheme, giving your space the illusion of extra space and light while functioning as a useful looking glass. It looks beautiful hung vertically or horizontally above a living room sofa, dining room credenza, or large fireplace.*
