sku: ABR-250-6209-99

Our new Nelson Collection features cerused oak trim which frames and highlights the silky grasscloth wrapped sides and front. The curved bow-front drawers sit atop a recessed base and lend a distinct 1930s feel and a masculine air. It comes in two stunning combinations: ash gray silky grasscloth paired with black cerused oak, or natural silky grasscloth paired with natural cerused oak. The collection comes with veneered drawer interiors, soft-closing glides, and a wide assortment of custom pull options. It includes a 3-drawer side table and a 9-drawer dresser and is perfect as a bedroom set (think two side tables flanking your bed and the dresser adjacent). Consider the Nelson Collection your showstopping champion if you're looking to add storage and sophistication to a study, bedroom, lounge, or office.
