

## Newhall 1-Drawer Side Table - Available in 3 Colors

sku: ALA-110-9401

*The Newhall 1-Drawer Side Table is a good example of this. Its airy simple silhouette is paired with a highly patterned cat's eye veneer which is both rare and expensive. This is our first foray into using cat's eye veneer. We have stained it just the right hue of black to accent the unique pattern while producing a very versatile color for decorating. Polished nickel accents have been added which call attention to the elegant proportions and impart an upscale look. The Newhall is perfect for the living room, library and works equally well in the bedroom.*
