

Charleston Cabinet - Available in 2 Colors

sku: AUD-200-5126

We love our Charleston Collection for its refined simplicity and timeless silhouettes, made all the more sophisticated by its rich mixed materials. A classic storage solution with an upgrade, the Charleston Cabinet is outfitted in textured lacquered linen, boasting two cabinet doors that open to reveal a veneered interior with two adjustable shelves. Complement the soft gray finish with your choice of metallic pulls—a subtle but effective way to fit the piece exactly to your tastes. Plenty of surface space, along with an opening in the back for cables, means you can put this gorgeous furnishing to work, topping it with lamps, a vase, or any other decorative objects you'd like to show off in a living area, entryway, bedroom, or corridor.

Avoid using glass cleaners on anything but glass and mirror. Ammonia can cause discoloration and dull the finish. Clean with a soft cloth or duster. Avoid rubbing hard as this may produce tiny scratches.
