*We love our Charleston Collection for its refined simplicity and timeless silhouettes, made all the more sophisticated by its rich mixed materials. A classic storage solution with an upgrade, the Charleston Extra Large 6-Drawer is outfitted in lushly textured lacquered linen, boasting six drawers that open to reveal roomy, veneered interiors. Complement the soft gray finish with your choice of metallic pulls—a subtle but effective way to fit the piece exactly to your tastes. Plenty of surface space means you can put this gorgeous furnishing to work, topping it with lamps, a vase, or any other decorative objects you'd like to show off in a bedroom or study.*
