*Sweeping serpentine curves give the classic pieces of the Nyla Collection a truly unique touch of surrealism. A tasteful play on form, the facade of our Nyla Large 3-Drawer evokes a sense of fluid movement, with drawers expertly crafted to resemble rippling waves. Its Art Deco-inspired glamour is furthered by its polished nickel pulls, while the full sense of its quality can quite literally be felt in the outer layer of lacquered grasscloth. From its natural texture to its soft coloring, this lovely furnishing is made to withstand the test of time in both craftsmanship and aesthetic. For while it certainly stands out, you'll find that it feels right at home in any style of decor.*
