

Naal 4-Door Cabinet - Available in 2 Colors

sku: BLK-450-22

Art Deco glamour is met with architectural design in our Naal Collection, marked by subtle contouring of its sleek edges along with distinct details, such as the L-shaped legs, which cut an elegant figure. The Naal 3-Drawer Side Table appears as a jewel box in a living room or bedroom, crafted from Straight-Grain Oak to give its light blached oak color a luxurious sheen. Three drawers, each with veneered interiors on soft-closing glides, are framed by a recessed champagne finish border and made complete with your choice of oversized, gilded pull.

Avoid using glass cleaners on anything but glass and mirror. Ammonia can cause discoloration and dull the finish. Clean with a soft cloth or duster. Avoid rubbing hard as this may produce tiny scratches.
