

Inline Antiquity Table Lamp

sku: 9ANTIQUITLDG

This large table lamp introduces an earthy tone and texture to a classic silhouette. Hand-crafted by skilled artisans, this oversized ceramic table lamp features a unique band that draws attention to the body's midline and is balanced with a clean white linen drum shade. Variations in tone and subtle markings make this a statement piece anywhere in your home, like an entry console or dining room buffet.

Handmade of ceramic

100% Linen White Drum Shade

One-of-a-kind piece of art

The handcrafted nature of ceramic creates products with character and individuality. The inherent variations in tone or texture, are preserved, to create pieces rich in detail and natural beauty. These unique imperfections and variations are what define our products, with each piece having its own personality.

We do not recommend using harsh or abrasive cleaners at any time as they can damage product. Wipe surfaces gently with soft, dry cloth. If needed, you may use a lightly damp cloth with water only on base.
