

Inline Ribbon Sphere - Available in 2 Colors

sku: 7RIBB-SPBK

This whimsical resin sphere is reminiscent of ocean coral, and its undulating ribbon shape suggests the natural movement of an aquatic environment. Placed on a dresser, coffee table or console, this sculptural accessory is sure to be a favorite accent anywhere in your home.

- Sculpture - Available in 2 Colors
- Molded out of resin in black finish or white finish
- For decorative use only

Care Instructions: We do not recommend using harsh or abrasive cleaners at any time as they can damage product. Wipe surfaces gently with soft, dry cloth.
