

## Hudson Valley Lighting Glimmer 9 Light Chandelier - Aged Brass

sku: 5359-AGB

*With perforated Aged Brass shades and clear globes etched on the inside, it's easy to see how Glimmer got its name. Light fills the glass and reflects beautifully off the metal while also seeping through the holes creating a stunning shimmer. The unique placement of the shades on the sconce, pendant, chandelier, and linear provide all-around light.*
