

Aries 4 Light Wall Sconce - Vintage Polished Brass / Deep Bronze

sku: 401-04-VPB/BBR

Suggestive of the fire sign it is named after, Aries features tapered conical arms in vintage polished brass bursting from a metal ring of black brass. A soft glow pours from the opal glass globes in every direction. The brass is genuine metal, not painted, adding an even more luxurious feel to the already-elevated design. This sophisticated statement piece draws the eye and sparks conversation in any space it inhabits.
