

Kodiak 1 Light Wall Sconce - Vintage Brass

sku: 397-01-VB

Kodiak blends a traditional sconce silhouette with untraditional materials to turn a recognizable shape into a design that deserves a second look. The arm is comprised of a series of stacked, smooth spheres in honed Arabascato marble with a vintage brass band at the center. The natural stone shapes and light-colored marble pair well with the white linen shade. The marble veining makes each fixture truly unique.
