

Melrose 6 Light Pendant - Vintage Brass

sku: 275-46

Inspired by the French industrialist movement of the 1940s, these blown glass and vintage brass fixtures conjure a vibe of old Parisian cafés, yet their scale is a bold modern statement, giving them a timeless and multi-functional appeal. The hand-applied finish has a rich, aged patina that sets these pieces apart. The smaller, one-light pendant version with matching canopy and cloth-covered cord features thick, polished acrylic for the diffuser, adding yet another layer of glamour.
