

## Spring Has Sprung - Clear

sku: JRL-9811

*This table lamp has porcelain flowers held by gold-leaf foliage that look as if they are nodding in the spring breeze. This bouquet stands on a crystal base which adds timeless sophistication.*

*Dimensions: W:14 x D:14 x H:35.5 (Inches)*

*Material: Iron*

*Color: Enamel*

*The glazing of ceramic & porcelain is an ancient process that is sensitive to the slightest variations in materials, application or even atmospheric conditions. The result is that variations in pattern and color will occur, and no two pieces will be identical. The uniqueness and beauty of each piece is a testament to artisan's talents as they carefully control the fiery process in kilns reaching as high as 2400 degrees during the firing process.*

*Clean With Damp Cloth*
