sku: 236286-002

A specially selected work from the late influential photographer Slim Aarons is printed using ultra-modern ChromaLuxe technology for the first time ever. High in definition and gloss, images are printed in vibrant, saturated color on fade- and scratch-resistant recycled aluminum. Each is float-mounted with hand-selected framing designed to complement the print. Handmade in Austin, Texas, each piece includes a certificate of authenticity . Photo courtesy of Getty Images.
