

## Four Hands Shawn King Bed - Dark Smoked Oak

sku: IFAL-008K

*Dark-smoked solid oak forms a clean-lined bed, with natural ombre-like undertones and intriguing structural cutouts. Streak-like highlights are common, and speak to woods which have been specially selected for their unique patterns and graining. A subtle variance in color and pattern is to be expected from piece to piece, and is reflective of material's organic sourcing.*
