Foresta White Small Flocked Tree with Star

sku: FRB-2609

Illustrated with quality craftsmanship and attention to detail, maestro artisan Stefano Roselli recreates the Italian winter in Foresta Bianca. Inspired by the serene view of the snow capped ancient pines overlooking il Lago di Como, Stefano has handcrafted unique pieces to be paired together replicating the breathtaking view of the Italian Alps.

• White Tree Ornament

• Terra Bianca - A white earthenware clay that is often used for handpainted designs as it provides the ideal canvas for storytelling, allowing colors to truly come to life

• Product Dimensions: 13"H

• Made in Italy

• Clean With Damp Cloth
