

## Samuel 3-Drawer & 2-Door Cabinet - Bleached Cerused Oak

sku: SOF-450-99

*The Samuel collection is inspired by traditional French design which has been reinterpreted in a contemporary context. Instead of fruitwood or mahogany, we've use a bleached straight-grained oak. Instead of inset wooden panels, we've use mirrored panels. The overall effect is strikingly beautiful, thoroughly romantic, while traditional and modern at the same time. With custom made antique brass sabots and pulls, and intricate wooden channeling, the Samuel is sure to be a topic of conversation.*
