

Coral Spray Runner in Coral & Turquoise

sku: RU1239129CORTQ

True to its name, the Coral Spray Runner is inspired by the vibrant colors and fluid movement found within the coral reef. A hand-beaded three-dimensional technique is used; the red and turquoise coral details exude a realistic texture. A mixture of classic oceanic colored glass and plastic beads is mixed with chip beads and raffia to create this elegant ode to the sea.
